In addition to classroom instruction, I am committed to an interdisciplinary approach to scholarship and teaching. Rather than simply lecturing to a class, I strive to cultivate an interactive environment in which students can express themselves freely while learning to engage with the past in meaningful ways. I emphasize critical thinking and the need to consider art within its larger social, historical, and intellectual contexts.

PROFESSIONAL EXPERIENCE

University of Kentucky, School of Art and Visual Studies 2015

Maintained shop, and equipment, conducted safety workshops that coordinated with Environmental Health & Safety to ensure compliance of OSHA standards and overall safety of students and labs.

The Wexner Center for the Arts, Ohio State University 2011

Performed an array of tasks that focused on the safety and satisfaction of all WCA artists and patrons.

Newark Catholic High School 2007

Provided a foundation and environment for investigating concepts and principles of visual organization, color, and design. Course examined techniques while drawing from observation.

New Albany High School 2006

Taught classes on a variety of topics including painting, collage, and color theory. Organized classes and wrote original lesson plans for implementation.

The Works Museum 2005

Taught a variety of subject matters through the use of material practices and mediums in both two-dimensional and three-dimensional projects.
