Rezound!, an auditioned community handbell ensemble, is searching for a new rehearsal location. Since its formation in 2001, the ensemble's reputation has grown, resulting in a more demanding performance schedule, which, in turn, has meant the acquisition of more equipment. We need additional storage and rehearsal space.

We are seeking a dedicated, secure space that

- is at least 40 ft x 40 ft
- can be accessed 24/7 (for rehearsals, individual practicing, and load in/out)
- has access to restroom facilities
- is ADA compliant (to facilitate loading/unloading of our equipment carts)
- has ample parking for up to 16 vehicles and a trailer
- includes functioning HVAC

In addition to a year-round concert schedule in the Kansas City region, **Rezound!** has enjoyed successful tours throughout the Midwest and has collaborated with area choral groups and other handbell choirs in a variety of concert settings. The ensemble has shared the stage with the Kansas City Symphony and Symphony Chorus on their annual Christmas Festival concerts and has entertained fellow musicians at regional and national events of Handbell Musicians of America. With the national acclaim the group has received, **Rezound!** is proud to represent our hometown as artistic ambassadors around the country.

Rezound! comprises 15 musicians from throughout the Kansas City area. The ensemble performs on 5 different sets of handbell instrumentation, owns the necessary equipment for storage and performance, and has an extensive music library. This amount of property necessitated our purchase of a 16-foot trailer for transporting it. We maintain liability coverage on all of this.

More information can be found on our website, <http://rezound.org>, and samples of our performances can be found at <https://www.youtube.com/rezoundhandbells>.

Rezound! is a 501(c)(3) organization. While a donated space would be ideal, our budget would accommodate a nominal monthly fee. If you know of a suitable space, please email us at contact@rezound.org or call 816-866-7464.

Thank you!
